

DESCRIPTION: Offered by the USGBC MA Chapter Lake Hitchcock Committee as an educational opportunity for individuals interested in qualifying for LEED Green Associate accreditation.

FORMAT: Self-directed, participatory study group facilitated by members of the Lake Hitchcock committee who are seasoned green building professionals with LEED BD+C accreditation. Open to students and building industry practitioners.

MATERIALS: Participants must obtain a personal copy of the LEED Green Associate study materials and are expected to come to each session having reviewed the material and prepared questions for clarification.
